THU, OCT 30, 2014 18:21 CET

Have you closed the pages on a favorite novel or watched a blockbuster movie like *Divergent* or *The Hunger Games* and wondered, "How did the author come up with that!?" These seven authors of hot, young adult trilogies have the secrets, and they will offer up a show-and-tell as they help guide the audience through an interactive session that builds a story a sentence at a time to develop character, setting, mood, theme and plot with unexpected - and often shocking or hysterical - twists. Featuring authors Martina Boome, Kimberley Griffiths Little, S.E. Green, Claudia Gray, Beth Revis, Meagan Spooner and Megan Shepherd.

*Door prizes, book signings, author Q&A and light refreshments; Audience: Teens (12-18)*

Tuesday, Nov 4, 4:30-6:30 p.m. at [ImaginOn: The Joe & Joan Martin Center](#) | [Learn More](#)
