

Text message notifications are now available from Charlotte Mecklenburg Library

MON, JAN 12, 2015 18:09 CET

For customers of the [Charlotte Mecklenburg Library](#) who would like to know immediately when a hold is waiting, or when checked-out items are about to be due, these important notifications are now available by text message! By popular demand, this option has been added, in addition to the existing options for email and phone call notifications. [Learn more.](#)
